The Straits Times says :- In connection with the meeting of shareholders in the Straits Insurance Company, held at Shanghai, on a orrentar issued by the then agent of the Straits Co., Mr. Dudgeon, to consider an alleged offor made for the Company's business by the Commercial Union, enquiry at the head office at Singapore elicits certain information which makes some of the statements of Mr. Dudgeon seem odd. We are reformed the head office at the Strait insurance Co. absolutely knew nothing of such an offer by the Commercial Union. On rumour about it reaching them, enquiry was made by bablesat the head office of the Commercial Union which brought a reply that no offer bad been made such as Mr. Dungeon had stated; but that there had been an unofficial enquiry as to the terms for the business of the Straits Insurance Co. The matter, we are informed, originated from some unofficial talk between an ontaider and the underwriter of the Commercial Union, but nothing official was done in the matter at all. Certain other statements. notably that in regard to the resignation of the underwriter, are said to be incorrectly made by Mr. Dudgeon. It may be of interest to state that Mr. Dudgeon is a brother-in-law cents vehicle fere.
